Many volunteer positions are available, and for this program to run successful, parents will need to help. We support 5 teams of at least 30-40 players. Four to five people cannot support this many players. Many things need to be done and in place before the season begins and such as painting posters, organizing pre-game meals, fundraisers to help pay food and supplies. Please help so we can run a successful program for these boys. They deserve your support.
